LEADERSHIP EXPERIENCE

Substitute Choir Director | St. Peter Apostle Church | Reading, PA | July 2016 – July 2019

- Whenever the Choir Director was absent, I took over the performances at mass, which required choosing and conducting music
- I practiced the liturgy pieces with the choir, assisting them in developing their performance
- I arrived early to every performance and ensured that the audio panel and related equipment were in working condition

RELATED EXPERIENCE

Graphic Design Intern | Reading Public Museum | Reading, PA | January – March 2021

- Designed posters, flyers, logos, social media posts to advertise events held at The Museum
- Worked closely with marketing director to create advertisements for events held at The Museum
- Scheduled, conceptualized & designed an advertisement campaign for their summer camp, 'Museum Discovery Camp' which included direct mailers, contacting printers to print said mailers, social media posts, and videos

Freelance Designer | Various Clients | Reading, PA | August 2016 – present

- Worked closely with client to design a Philly Flyers inspired sports card by utilizing provided photographs
- Worked closely with client on a primary logo design for the non-profit project, Uncovering Stories
- Created simple graphic t-shirts for various events such as Oscar Romero's canonization celebration

Graphic Designer | DesignRx | Kutztown, PA | February 2020

- A biennial program where Communication Design students volunteer an afternoon to design personal branding materials for junior and senior fine art, applied digital art, crafts and art education students.
- Worked closely in a small group setting with one other graphic designer and an art director to create a logo and stationery for the art student
- Client was present the entire time to discuss the direction of their brand
- Was assigned to create the logo for the student

Assistant Freelance Photographer | Various Clients | Reading, PA | August 2016 – August 2019

- Took camera raw photographs and videos in various events from weddings to parades as well as promotional photographs for performers
- Edited raw photos using Bridge, and Photoshop
- Worked closely with coworker to discuss shots or distribution of work
- Set up and took down equipment

WORK EXPERIENCE

Freelance Vocalist | Various Clients | Reading, PA | January 2015 – August 2018

- Sang in a group in various events from weddings to quinceañeras
- Actively participated in rehearsals from discussing music direction like harmonies to choosing songs
- Managed audio panel and related equipment for our performances

Packer | Godiva Chocolatier | Reading, PA | July 2018 - August 2018

- Packed chocolate via assembly line while following safe food practices
- Worked with a team in a fast-paced environment to pack chocolates
- Entrusted to ensure that chocolates were appropriately packed and replaced missing chocolates

Circuit Assembler | Gai-tronics | Mohnton, PA | December 2017 – January 2018

- Assembled all circuits assigned in a timely manner
- Organized and trimmed tiny electrical parts
- Ensured that workspace was tidy and clean while wearing proper gear
